

## Program Expiration Form

I, \_\_\_\_\_, understand that the Non-Master's Alternate Certification Program I am currently following will **expire June 2013**. I have been informed that I **must complete all coursework including student teaching or internship by spring 2013 in order to be recommended for certification**. I further understand that the University of New Orleans cannot recommend anyone in the Non-Master's Alternate Certification Program for certification after **June 2013**.

I understand that if I do not complete the Non-Master's Alternate Certification Program by **June 2013** and would like to continue pursuing my certification I will have to meet the requirements to be accepted to the Master of Arts in Teaching (MAT) degree program. The MAT degree requires 36-39 hours. **A maximum of 12 graduate hours from the Non-Master's Alternate Certification Program may be considered for the MAT.**

I also understand that I have the option of changing to the Master of Arts in Teaching degree and certification program. To change to the MAT I **must complete a change of curriculum form** and complete **ALL** entrance requirements for the MAT to be **OFFICIALLY** admitted to the MAT program. No courses will apply to the MAT without being officially admitted to the MAT program. **A maximum of 12 graduate hours from the Non-Master's Alternate Certification Program may be considered for the MAT.**
